DETAILED ACTION

1. Supplemental Response/Amendment filed on 12/30/2009 has been entered.

Claims 35-40 are pending. Claims 1-34 are canceled without prejudice.

Response to Arguments

2. Applicant's arguments, see pages 12-16 of Remarks, filed 12/30/2009, with respect to claims 35-40 have been fully considered and are persuasive. The non-Final rejection of 05/04/2009 has been withdrawn.

Specification

3. The substitute specification filed 11/04/2009 has been entered because it conforms to 37 CFR 1.125(b) and (c).

Claim Rejections - 35 USC § 112

4. The following is a quotation of the first paragraph of 35 U.S.C. 112:

The specification shall contain a written description of the invention, and of the manner and process of making and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the same and shall set forth the best mode contemplated by the inventor of carrying out his invention.

5. Claims 35-40 are rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. The claim(s) 35, 39 and 40 contain subject matter "first and second kinds of unitary data" which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that

the inventor(s), at the time the application was filed, had possession of the claimed invention.

6. Claims 35-40 are rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the enablement requirement. The claims 35-40 contain subject matter which were not described in the specification in such a way as to enable one skilled in the art to which it pertains, or with which it is most nearly connected, to make and/or use the invention. In this case, the Examiner cannot map the claimed limitations with the Specification.

7. The Examiner has questions concerning the present amendment, and the attorney of the application is kindly requested to contact the Examiner at 571-272-4092.
